BIOCIDAL CLEANER

Biocidal hard surface cleaner

Biocidal Cleaner is a highly effective cleaner and grease remover containing a broad-spectrum biocide to clean and sanitise surfaces.

ADVANTAGES

Highly effective in the removal of food residues and grease

Concentrated formula provides excellent dilution rates and low cost in use

Contains a broad-spectrum biocide to clean and sanitise

Tested against bacteria, enveloped viruses and is fungicidal and yeasticidal

Non-perfumed to reduce the risk of tainting food

Ideal for food preparation areas and surfaces

TYPICAL APPLICATIONS

- Biocidal Cleaner is ideal for use in food preparation and storage areas to clean floors, walls, food preparation surfaces, machinery and equipment
- Use also to clean and disinfect surfaces in areas where a high degree of surface sanitation is required, for example in canteens, wash-rooms, nursing homes, schools, hotels and leisure centres
- May be used to clean and disinfect refuse bins, waste chutes and gullies
- Biocidal Cleaner will also disinfect and deodorise scrubber dryers and wet vacs
